# WHO WANTS TO LIVE FOREVER?

There's no time for us  
There's no place for us  
What is this thing that builds our dreams, yet slips away from us

Who wants to live forever  
Who wants to live forever . . . . ?  
Oh ooo oh

There's no chance for us  
It's all decided for us  
This world has only one sweet moment set aside for us

Who wants to live forever  
Who wants to live forever  
Ooh  
Who dares to love forever  
Oh oo woo, when love must die

But touch my tears with your lips  
Touch my world with your fingertips  
And we can have forever  
And we can love forever  
Forever is our today

Who wants to live forever  
Who wants to live forever

# TECHNOLOGY USED

Markup Language: HTML5

Stylesheet language: CSS3

Fonts: Google Web Fonts

In order the website to be fluid I made use of media queries and rems.

Notice!

Some effects like the text gradients work just in webkit browsers (Chrome , Safari , Opera)
